15th anniversary!

As we approach our 15th anniversary it is with joy that we look back at God's grace and provision - to both our clients and team over the years - and look forward to his blessings and fruitfulness for the seasons to come.

To mark this event, and to raise much needed funds, will be the launch of **Debt Relief Day**, in September, followed by a **Charity Gala** in March 2025.

Our target is to raise £15,000! This will fund an additional Debt Coach for two years and enable us to extend the reach of our free Debt Help Service and Money Coaching in and around Rugby.

Debt Relief Day, on **Friday 25th October**, will be marked by willing volunteers:

WEARING BRIEFS FOR DEBT RELIEF!

Could you raise £250 by wearing CAP logo briefs (on your head) for a day?! If wearing briefs sends your head into a spin, then simply support this event by sharing it with your friends and sponsoring our participants! 20 sponsored volunteers = 1 new Debt Coach for a year.

Our message is this: **Some things in life are embarrassing. Getting help with your debts isn't one of them.**

RUGBY DEBT CENTRE NEWS

Please celebrate with us, that for a fifth month running, a local client has gone **DEBT FREE**. That's a total of nine clients who have been released from their burden of debt this year. Praise God with us!

Plans are currently afoot to launch a Debt Centre webpage. It will provide visibility of our current serving opportunities and any up-coming events, as well as secure online giving forms. Watch this space!

We are currently supporting 12 households in Rugby and took no new clients in June.

CLIENT'S SUMMER EVENT

It's time for our annual picnic event! Clients are invited to join with their Befrienders for activities and games on Monday 12th August, 11.30-2pm, at Hillmorton Recreation ground.

A full picnic is being provided by local caterers, with plenty of time to relax and chat with one another. If you would like to sponsor a client picnic lunch & gift bag (£8 each) please click [this](#) link or scan the QR code at the top of this newsletter!
